Player Allocations

Please note: Only players who registered as looking to be placed on a team will appear in the lists below. We have done our best to accommodate allocations based on the information we were given. Now that allocations are complete, I cannot move any players so please do not ask to be moved. If you wish to be a team manager of one of these teams, please email miami@oztag.com the team name, your child's name requesting to be team manager so I can then send you the players contact numbers for your team.
